Finishes - Standard

Finish color and overall sheen are subject to factors ranging from dye lots of chemical stains, underlying variations in the raw wood, and the eye judgment of the experienced sprayer. We will match finish on furniture ordered together; however, we cannot guarantee an absolute match. We hope you understand and are pleased with the unique character of the wood and our available finish selections.

The finish selections shown below are available at no charge.

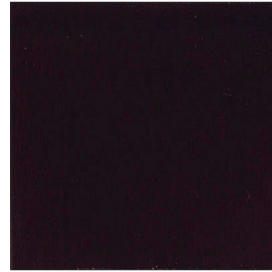

Heirloom

**Vintage White

Any Color Paint

The characteristic of "dusting" will only show on wood with carvings. Smooth wood will not show this feature. Finishes with standard dusting are shown with an asterisk "*".

**This finish shows natural wood. Color of the wood will vary from frame to frame.

Note: We recommend to select finish from wood samples to see true color.
