

# FINISHES AND FINISH OPTIONS

All pieces are finished with a catalyzed lacquer/varnish that resists stains, moisture rings and spots, heat damage (from hot beverages, etc.), and abrasions. Finishes are formulated to meet Kitchen Cabinet Manufacturers Association (KCMA) standards and provides lasting protection.

Standard finish is GREENGUARD Certified: We use a catalyzed sealer and top coat that is **GREENGUARD Certified** for low chemical emissions as the default finish option on all of our products. **GREENGUARD certification** is a testing program of UL (Underwriters Laboratory) focusing on the issue of indoor air quality. Further information about **GREENGUARD certification**, can be found at: <http://www.greenguard.org>

NATURAL CHERRY (03)

SMOKE CHERRY (53)

WALNUT (04)

NATURAL MAPLE (01)

PARCHMENT MAPLE (62)

NATURAL OAK (07)

BRIGHT OAK (71)

WEATHERED OAK (75)

SEARED OAK (76)

TAUPE OAK (77)

SAND OAK (78)

Natural variations in solid wood and hand-applied finishes make each piece unique. Slight grain and finish irregularities as well as subtle differences in stain shades are signs that the furniture has been crafted from solid wood and are considered hallmarks of quality. Products selected in Bright Oak display a variegated range of colors from blonde to light brown.
