PROUDLY MADE IN THE USA

The Product

Parker Southern produces premium upholstery, offering a range of sofas, settees, chaises, motion, beds, chairs, and

PLEASE NOTE that our furniture is hand-assembled piece by piece, by skilled craftsmen. Dimensions on actual finish as much as 2" from the published average dimensions for any style.

Frames & Finish

Our frames are constructed of hardwoods. We offer 30+ different finishes at no additional cost to you. Although we use preparation and finishing processes, it is impossible to guarantee matching finishes.

Pocketed Coil Technology for our 5088-SF Sofa, 615 Series & Indulge Series

This is a seating system that provides exceptional comfort and unmatched performance with individually encased base springs compressed inside the pocket for a noiseless base.

Sales Aids

All swatches, catalogs, woodchips and other sales aid items provided on a no-charge basis or at a charge remain the property of Parker Southern.

Shipping

All prices FOB Maiden, North Carolina 28650. Furniture may be drop shipped, but we require cartons. Small ottoman and cut yardages may be shipped UPS.

Order Placement/Acknowledgements

In order to expedite the acknowledgement and production of your furniture, we advise that you make notations on your order the following:

- | | |
|-----------------------|--|
| 1. Quantity Needed | 5. Fabric Name & Color |
| 2. Style Number | ** If using COM - COM Info Sheet must accompany order/fabric |
| 3. Wood Finish | 6. Ship To Address |
| 4. Options as offered | 7. Means of Shipping (Trucking Company or UPS) |

Upon receipt of your acknowledgements, please review for accuracy and notify us **IMMEDIATELY** of any changes or

Cancellations/Changes

We are unable to accept any cancellations or changes once order has been scheduled for production.

COM – Customer's Own Material

COL – Customer's Own Leather

COM is available at Grade 5 pricing. COL is available at Grade 10 pricing. Cartons are included. Please complete the COM Instruction Sheet & send with your COM to us in order to insure proper handling of your order. Please make copies of the form found in this price book.

Unless you give us specific instructions, the 'lay out' of the fabric will be at our discretion.

Dimensions

Approximate dimensions are listed on individual photos in our catalog and on our website. Our frames and furniture are made by craftsmen, not an assembly line; therefore, dimensions may vary as much as 2" from printed size.

Dimensions are measured as follows:

L or W (Length or Width) is the widest part of the piece, usually at the outside edge of the arms.

D (Depth) is the front of the piece at the deepest part including the pitch of the back.

H (Height) is the highest part of the back, usually at the top of the back or back cushion.

SH (Seat Height) is from the floor to the top of the crown of the cushion.

SD (Seat Depth) is from the front of the seat cushion to the bottom of the back cushion or inback if the piece is a tight back. Once the piece is sat in, the back cushion will compress and gain from 2"-4" more depending on the weight of the person.

AH (Arm Height) is from the floor to the top of the arm. If Front Arm Height is listed, it will be from the floor to the front of the arm.

ISW (Inside Seating Width) is from the inside arm to inside arm – full width of the seating area.

(Customer's Own Material)

All C.O.M Fabrics, Leathers, and Trims should be sent to:

**15 West Holly Street
Maiden, NC 28650
Attention: COM Department**

Please complete the provided packing list form (page H) and **send to us with your C.O.M.** in order to ensure proper handling of your order. Please make copies as needed of the form found in this price book.

PRICE ALL C.O.M. **(FABRICS)** AS GRADE 5

PRICE ALL C.O.L. **(LEATHERS)** AS GRADE 10.

WE INSIST THAT YOU INSPECT FABRIC PRIOR TO SENDING TO OUR C.O.M. DEPT.

C.O.D. DELIVERY OF C.O.M. FABRIC WILL NOT BE ACCEPTED!

Some vertical patterns may require seaming. See the "Fabric Application" chart on page G of this price list for complete details.

Unless you give us specific instructions, the "lay out" of the fabric will be at our discretion, and any reworking due to problems in this area must be at your expense. Please help us to get your order right the first time.

C.O.M. ROPE/FRINGE/BULLION/TRIM

Charges for adding decorative rope, fringe, etc...will be at **1/2** of our standard trim charge. These charges may be found in the Rope & Fringe section found on page D of this price book.

In determining the amount of C.O.M. yardage needed, please refer to the chart on the following page or call our Customer Service at (828) 428-3506.

(Customer's Own Material)

IMPORTANT DISCLAIMER: We reserve the right to refuse to work with unusually or otherwise unusual fabric which, in our estimation, our sewing equipment is not capable of handling with 100% assurance. In such cases, we will override our own recommendation **ONLY** when the customer assumes **FULL RESPONSIBILITY** for any resulting damage to the fabric and / or manufacturing quality problems that result directly from problems that are due to the quality of such fabrics.

Base C.O.M. calculation on the following:

1. Take requirements from necessary yardage at foot of chosen style.
2. See chart below to determine additional amount based on fabric width & largest repeat.

| FABRIC WIDTH | Plain RR | Plain UTB | 2" - 14" RR | 2" - 14" UTB | 15" - 19" RR | 15" - 19" UTB | 20" - 27" RR | 20" - 27" UTB | 28" - 36" RR | 28" - 36" UTB |
|--------------|----------|-----------|-------------|--------------|--------------|---------------|--------------|---------------|--------------|---------------|

Additional Notes for Application (example: center motifs, horizontal, vertical or diagonal application)

Cushions

Signature

Our cushion provides the absolute best in feather and down seating. Seat and back cushions consist of a soft Qualux core wrapped in 50% fiber and 50% duck feathers and down. Throw pillows consist of 95% feathers and 5% down. This precious seating needs TLC. We recommend that cushions are constantly fluffed and frequently turned. Occasionally, a feather or two will appear. This means the cover is doing its job, breathing, which assures your comfort.

Care -- Fluff and rotate cushions periodically

Firmness Levels -- (2.55 Density - 27 lbs. Compression/ILD)

Comfort

This cushion uses a high resiliency/high density Qualux foam core that is wrapped with a continuous layer of dacron fiber that is placed on the top and across the front and bottom of the core. It is then all encased in fabric ticking. The make-up of this cushion provides a smooth look and a comfortable, supportive feel. It also reduces "comfort wrinkles" in the fabric.

Care -- Rotate cushions periodically

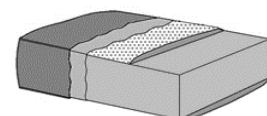

Firmness Levels --

Comfort Soft (2.55 Density - 16 lbs. Compression/ILD)

***Comfort Medium (2.05 Density - 21 lbs. Compression/ILD)**

Comfort Firm (2.55 Density - 27 lbs. Compression/ILD)

Comfort Extra Firm (2.55 Density - 31 lbs. Compression/ILD)

**Denotes the standard cushion for Comfort cushions*

Luxe Premium

Our Luxe Premium contains a 4" thick, high modulus, high resiliency core, which is capped on the top and bottom with a 2" thick VX 3010 memory foam layer, the same foam used for comfort layers in mattresses. The top, front and bottom of the cushion is then wrapped with a continuous layer of 1/2" thick dacron fiber, all encased in fabric ticking. This cushion consists of state-of-the-art materials and engineering that provide the comfort of a very soft cushion, but also the resiliency and taut appearance of a firmer cushion. These two attributes create a cushion that is ultra-soft, but still has the bounce back, which offers slow acceleration upon sitting and prevents strong puddling. The sheer weight of this cushion confirms its overall quality.

The Luxe Premium Package includes backs and throw pillows. The back inserts and throw pillow inserts are filled with microfiber which is less than one Denier in measurement. This microfiber fill is encased in a beautiful natural white down proof ticking with surged seams. This filling provides a luxurious, heavier feel to the backs and throw pillows.

Our Luxe Premium backs and throw pillows have the feel of our Signature package, but without the feathers.

Care -- Rotate cushions periodically

Firmness Levels --

(Core: 2.30 Density - 24 lbs. Compression/ILD)

(Cap: 3.00 Density - 10 lbs. Compression/ILD)

*****Luxe Premium and Luxe Premium Package are available ONLY on select styles*****

Indulge Package:

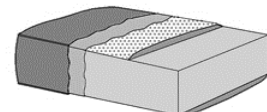

Serene Comfort Foam Seat

This foam utilizes billions of microscopic air capsules to provide outstanding support while dramatically reducing pressure. Each of the tiny cells act as a shock absorber cushion, releasing air independently as pressure increases. Serene foam studies show that it greatly reduces pressure to the hip and back area as it self-adjusts to individual body contours. Unlike traditional memory foam, Serene is not temperature sensitive. Even when subjected to extreme cold, Serene will remain consistently plush instead of firming or hardening. Serene also releases body heat faster than traditional memory foam, ensuring that you have a better sit or lounge on your sofa.

Care -- Fluff and rotate cushions periodically

Firmness Levels --

(2.50 Density - 12 lbs. Compression/ILD)

Luxe Premium Back Cushion

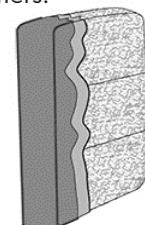

The Luxe Premium backs are definitely not inferior to the Serene Comfort cushions that they are packaged with in our Indulge Series. The back inserts are filled with microfiber which is less than one Denier in measurement. This microfiber fill is encased in a beautiful natural white down proof ticking with surged seams. This filling provides a luxurious, heavier feel to the backs and throw pillows. Our Luxe Premium backs have the feel of a full down package, but without the feathers.

Care -- Rotate cushions periodically

Firmness Levels --

(Core: 2.30 Density - 24 lbs. Compression/ILD)

(Cap: 3.00 Density - 10 lbs. Compression/ILD)

***** Serene SEAT and Luxe Premium BACK cushions available ONLY in our Indulge Series*****

Compression / Indentation Load Deflection (ILD) is the pounds of pressure it takes to indent the cushion.

FABRIC COLLAGE

When applying two fabrics to the body of any frame, price will be at the higher grade. When applying more than two fabrics to the body of any frame, price will be at the highest grade + \$75 for each additional fabric. If pillow grade is < or = body grade, there is no charge. If pillow grade is > body grade, there is a charge of \$36 per pillow. (Example: Using Grades 6, 8, 10 = price at Grade 10 + \$75) Options such as fringes, ropes, tassels, etc. are an optional charge and are not part of the above calculations.

FABRIC CLEANABILITY RATINGS**S RECOMMENDED CLEANING INSTRUCTIONS**

Clean this fabric with pure solvents (petroleum distillate based products may be used). Professional dry cleaning is recommended.

Caution: Use of water-based or detergent-based solvent cleaners may cause excessive shrinkage. Water stains may become permanent and unable to be removed with solvent cleaning agents. To prevent overall soil, frequent vacuuming or light brushing to remove dust and grime is recommended.

SW/WS RECOMMENDED CLEANING INSTRUCTIONS

Clean this fabric with water-based cleaning agents, foam, or pure solvents (petroleum distillate may be used.) Professional dry cleaning is recommended. To prevent overall soil, frequent vacuuming or light brushing to remove dust & grime is suggested.

W RECOMMENDED CLEANING INSTRUCTIONS

Clean this fabric with water-based cleaning agents or water-based foam to remove overall soil. Many household cleaning agents are harmful to the color and life of a fabric. Professional dry cleaning is recommended. To prevent overall soil, frequent vacuuming or light brushing to remove dust and grime is suggested.

X RECOMMENDED CLEANING INSTRUCTIONS

Clean this fabric only by vacuuming or light brushing to prevent accumulation of dust and grime. Water-based foam or solvent-based cleaning agents of any kind may cause excessive shrinking or fading. This code should also apply to "brushed" cottons, regardless of codes previously given.

The above cleaning instructions have been suggested by the various fabric manufacturers. We suggest that the consumer test an inconspicuous area to insure color fastness; however, we strongly recommend that the area be cleaned by a professional cleaning service. We cannot accept any responsibility for the method of cleanability of our fabrics. The above guidelines are intended to assist in the clean up of small spills and stains. In order to reduce the appearance of overall soiling, it is imperative that the furniture be brushed or vacuumed regularly, BEFORE any dirty or dingy appearance begins to be noticeable.

Local Repairs

All furniture should be inspected for freight damage and defects upon delivery. Inspection needs to be requested even if the goods are delivered to a moving or storage facility. Should any problems be found, the factory should be notified at once. We will then determine the best course of action to be taken. **Charges for repairs will not be accepted without prior approval from the factory. Freight damage is to be rectified with your freight carrier. Contact your freight carrier immediately.**

Returns and Freight Charges

Written authorization **must be obtained** from the factory prior to any items being returned. In the event a piece of furniture is to be returned to Parker Southern, Parker Southern is responsible for the freight to ship the furniture back to our factory from the original ship to location. It is the customer's responsibility to have the furniture sufficiently wrapped and ready for pick up at the original delivery address. If Parker Southern receives the furniture with damage from not being wrapped properly by the customer, repair charges may apply. Once the repair is completed at our factory, the furniture will be returned to the dealer FREIGHT COLLECT. In the event there is a free astray agreement with the carrier, there will be no freight charges incurred by either party. Parker Southern is not liable for freight charges to ship replacement items.

Frames

Our frames are constructed of selected hardwoods and are guaranteed for **5 years** as upholstered in the original fabric.

Mechanisms

Our mechanisms are guaranteed for **2 years** as upholstered in the original fabric.

Battery Packs

The motorized mechanism in our footrests (guaranteed for **1 year**) features two chrome buttons that are sensitive to touch. You just touch the buttons and they will open or close the footrest. A battery pack is available for these at an upcharge and is guaranteed for 1 year.

Pocketed Coil Technology (5088-SF, 615 Series & Indulge Series)

Our system of Pocket Coil Technology is guaranteed for **3 years** as upholstered in the original fabric.

Springs

Spring construction and all support of backs and seats, exclusive of cushions, is guaranteed against breaking or significant slippage for **5 years** under normal stress.

Foam and Cushions

Foam cushions are warranted for **1 year**, while all other cushions are warranted for **3 years**. Frequent turning and fluffing will extend the life of all cushions and fabrics. In the rare incidence that your cushion(s) needs to be replaced, you must supply the original acknowledgement number. Our warranty is valid only if the furniture has received normal usage and has not been subjected to abuse. Cushion warranty is for the loss of cushion resiliency and not normal flattening or softening of cushions. Softening and flattening of cushions occur with foam and fibers as a result of regular use and aging and should not be considered manufacturing defects. We are not liable for freight charges to ship replacement cushions.

Fabric

We offer a full **1 year** warranty (**starting from the date order ships from Parker Southern**) against wear under normal use and with proper care. This warranty does not cover fading or pilling, which sometimes occur with normal use of some fabrics and is not valid where there is evidence of heavy soiling. We reserve the right to replace only the portion of fabric that is defective. Replacement fabrics may vary some in dye-lot from the original fabric; however, we will make every effort to match the dye-lot. All claims, within warranty, will be submitted to the fabric mill for evaluation. We will warrant only if the mill states that there is an actual fabric defect. Fabric manufacturers will not honor warranties if there is evidence that the furniture was exposed to a pet, therefore voiding our fabric warranty. Pets are abrasive to fabric and should not be allowed on your furniture. The fabric warranty is also null and void if the fabric is improperly cleaned. Care of the fabric is important. Cleaning by a professional furniture cleaning service only is recommended for all our fabrics. To prevent overall soil, frequent vacuuming or light brushing to remove dust and grime is also suggested. It is imperative that the seat cushions be turned twice monthly to get the maximum wear from both the fabric and the cushioning.

| |
|--|
| <p>PLEASE BE ADVISED THAT TREATMENT OF THE FABRIC WITH ANY KIND OF STAIN REPELLANT, OR ANY AFTER MARKET CHEMICAL TREATMENT VOIDS OUR FABRIC WARRANTY.</p> |

DREAM CREATIONS

REVISED: April 2021

1. Select Type:

☐ **6** Exposed Wood
Only available for Arch (A) and Rectangle (R) headboard styles. Not available for Daybeds.

☐ **7** Fully Upholstered

2. Select Product:

☐ **H** Headboard Only
Depth: 3"

☐ **B** Bed (Headboard, slats, 14½" side rails and foot rail)
Depth: Twin/Full - 82"
Twin XL/Queen/King - 87"
California King - 91"

☐ **F** Bed (Headboard, slats, side rails and matching 30" footboard)
Depth: Twin/Full - 82"
Twin XL/Queen/King - 87"
California King - 91"

☐ **E** Bed (Headboard, slats, side rails and storage footboard)
Depth: Twin/Full - 94"
Twin XL/Queen/King - 99"
California King - 103"

☐ **C** Cascade Daybed
Depth: 47"

☐ **S** Straight Daybed
Depth: 47"

3. Select Size:

☐ **T** Twin
Width: 42"

☐ **X** Twin XL
Width: 42"

☐ **F** Full
Width: 57"

☐ **Q** Queen
Width: 64"

☐ **K** King
Width: 80"

☐ **C** California King
Width: 76"

4. Select Headboard Style: (Regular Wing Width: 1" / Track Wing Width: 3") (upcharge for both wing types)

☐ **A** Arch

☐ **R** Rectangle

☐ **S** Scroll

☐ **C** Concave

☐ **Z** Zurro

☐ **N** Notch

☐ **1** Arch Wing

☐ **2** Rectangle Wing

☐ **3** Scroll Wing

☐ **4** Concave Wing

☐ **5** Zurro Wing

☐ **B** Notch Wing

☐ **6** Arch Track

☐ **7** Rectangle Track

☐ **8** Scroll Track

☐ **9** Concave Track

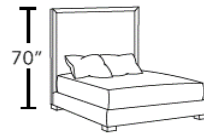

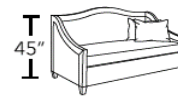

☐ **0** Zurro Track

☐ **D** Notch Track

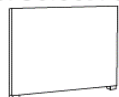

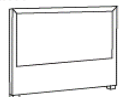

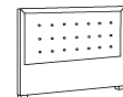

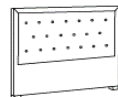

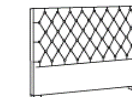

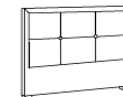

5. Select Headboard Height:

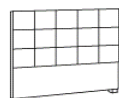

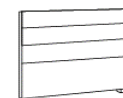

☐ **L** Low Profile

☐ **R** Regular

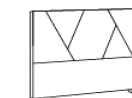

☐ **M** Medium

☐ **T** Tall

☐ **D** Daybed (Only available in Twin and Twin XL sizes) (Only available with Upholstered (U) or Plain (P) panels)

6. Select Panel Detail:

☐ **U** Upholstered (no border)

☐ **P** Plain

☐ **S** Button Square (upcharge)

☐ **B** Button Diamond (upcharge)

☐ **T** Tufted* (upcharge)

☐ **W** Window Pane (upcharge)

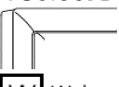

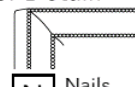

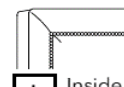

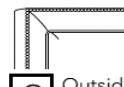

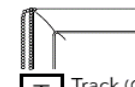

☐ **E** Blind Tuft Saddle Stitch** (upcharge)

☐ **G** Grid** (upcharge)

☐ **H** Horizontal Channel*** (upcharge)

☐ Please check if Horizontal Channel is to be applied to the wings (upcharge)

☐ **V** Vertical Channel*** (upcharge)

☐ **A** Angular*** (upcharge)

*Not available in exposed wood. / **Only available on the Rectangle headboards.

7. Select Border Detail:

☐ **W** Welt

☐ **N** Nails (upcharge)

☐ **I** Inside Nails (upcharge)

☐ **O** Outside Nails (upcharge)

☐ **T** Track (Only available for Daybeds and Track Wings) (upcharge)

8. Select Nail Trim Finish:

Chrome Small

French Natural

Hammer

Jet

Natural

Silver Small

9. Select Base & Finish:

☐ Wooden Cube (Standard)

☐ Wooden Tapered Angled adds 4" to the OH (upcharge)

☐ Brushed Nickel Modern adds 1¾" to the OH (upcharge)

☐ Lucite adds 1½" to the OH (upcharge)

10. Select Fabric or Leather:

11. Include Side Panels: (Sold separately) ☐ 7P-Upholstered ☐ 7Q-Tufted12. Include Trundle Option: (Daybeds only) (Sold separately) ☐ (adds 3" to OH)13. Include Optional Metal Bed Frame: (Sold separately) ☐

If a Parker Southern fabric converts to a Temple grade higher than 17 or a leather grade higher than L8, please contact customer service for pricing.

Pillow Trims:

Interchanging rope & fringe for either company is priced with the company that produces the trim. For example, if Parker Southern "Specialty" trims are used on Temple styles, then Parker Southern pricing is used to calculate the upcharge for that trim.
